### Observations:

The ducks are hunted to the style of English combing, when they return to the lake of the property where they have been raised in freedom, in small groups, with a high and quick flight; before descending they fly passing on the shot line. Of not being depressed they will leave to return later.

It is paid by dead duck ('Tapiz') and the minimum program for a private day of 3 to 12 hunters is of 200 ducks, being possible to surpass the thousand. The cost of the ducks and the ducks are distributed among the participant hunters.

In the shooting day: After the greetings and explanations that it marks the protocol, the positions are drawn and several editions begin in rotational positions. After each edition the hunters are informed of the approximate number of depressed ducks. The editions will continue until reaching the wanted number of ducks. To half tomorrow a breakfast is served in the same lake

Concluded the hunt an appetizer will be served and we will eat lunch in the Property. The show of seeing like they continue arriving infinity of ducks at the lake it is guaranteed and it is worthy of seeing

If you arrive the day previous to the hunt. There is the option of to lodge and to have dinner in the spectacular Hotel-Castle Garrevaques.
